

Kirami Original Breezy M

Cult-si ST-Coal Black, Light Gray

The Original product range's Breezy truly is an easy-care product with inside plastic. This enduring model is suitable for all purposes, making it a good choice for any situation. Its size makes Breezy M suitable for the average family, or why not a get-together with a small group of friends! As additional equipment LED-lighting is an option that highlights the plastic's colour. Factory fitted LED-lighting creates a fabulous atmosphere in the evening twilight.

The hot tub is heated with an external grey Cult-si heater, suitable for heating small tubs. It is made out of high-quality marine-grade aluminium. The outer shell is made out of Finnish spruce panels stained with a dark coal tint, and it keeps its attractive appearance for a long time. Light gray is velvety smooth and delicate dotted inside colour. The soft, vibrant grey of the interior is always timeless and elegant, and it blends in beautifully with the environment.

The barrel diameter is 170 cm and water volume 1540 litres. It is suitable for 4-6 people. The dry weight of the hot tub is 142 kg. The gross heat output of the CULT-si stove is 36 kW and the net heat output transferred to the water is 22 kW.
