

Kirami Comfort Family M

Cult-si ST-Coal Black, Ocean Blue

The Family hot tub has been developed to take the needs of the whole family into account, regardless of age and physical condition. As part of hot tub's design there a bench that can be used to cool off and children can sit on it more easily. You can rest your back on the specially designed edges of the bench. The design of the bench is ideal to climbing into and out of the hot tub. On top of practicality and easy access the safety is better with the bench.

Kirami Comfort Family M

Cult-si ST-Coal Black, Ocean Blue

The hot tub is heated with an external grey Cult-si heater, suitable for heating small tubs. It is made out of high-quality marine-grade aluminium.

The outer shell is made out of Finnish spruce panels stained with a dark coal tint, and it keeps its attractive appearance for a long time. As inside colour, ocean blue is velvety smooth with translucent surface. This blue colour makes sailors to relax with blue moments after sunset.

The barrel diameter is 170 cm and water volume 1370 litres. It is suitable for 3-5 people. The dry weight of the hot tub is 141 kg. The gross heat output of the CULT-si stove is 36 kW and the net heat output transferred to the water is 22 kW.
