

Kirami Comfort Family L

Cube ST-Coal Black, Stone Gray

The Family hot tub has been developed to take the needs of the whole family into account, regardless of age and physical condition. As part of hot tub's design there a bench that can be used to cool off and children can sit on it more easily. You can rest your back and arms on the specially designed edges of the bench. The design of the bench is ideal to climbing into and out of the hot tub. On top of practicality and easy access the safety is better with the bench. The Family hot tub model has been developed by popular request. Family L is large enough even for bigger groups.

The hot tub is heated with an efficient black Cube heater with a timeless design and colour; it heats even large tubs quickly. It is made out of high-quality marine-grade aluminium. The outer shell is made out of Finnish spruce panels stained with a dark coal tint, and it keeps its attractive appearance for a long time. The soft, vibrant grey of the interior is always timeless and elegant, and it blends in beautifully with the environment.

The barrel diameter is 200 cm and water volume 1930 litres. It is suitable for 6-8 people. The dry weight of the hot tub is 180 kg. The gross heat output of the CUBE stove is 48 kW and the net heat output transferred to the water is 35 kW.
