

Kirami Iron Monster stand

The stainless steel stand of the Iron Monster Grill is compatible with the Roasty Boss pot.

Made of stainless steel, the grill stand for the Iron Monster grill is as stable as it is elegant. The grill stand is always unique and is created as a by-product during the manufacture of other Kirami products. Therefore, the look of the stand may vary. You can either fill the grate-like base with stones that match the surroundings or simply leave it as a grate - whatever looks best in your garden!
