

Kirami FinVision® Nordic misty

Kirami FinVision® -sauna Nordic misty

Kirami FinVision® -sauna is available with an electric or a Wood burning heater. The sauna can also be made as a mirrored version.

Kirami FinVision® -changing room Nordic misty

Kirami FinVision® -changing room can be ordered while ordering the sauna or afterwards. A bench, coat rack and LED lights for the coat rack can be purchased separately as accessories for the changing room.

Kirami FinVision® -lounge Nordic misty

The Kirami FinVision® -lounge for our Nordic misty sauna is a complete, separate module with finished walls. The sauna and lounge modules fit together seamlessly. It is also possible to set up the lounge as a completely separate building.

Kirami FinVision® -terrace Nordic misty

Kirami FinVision® -terrace modules are available in different sizes and can also be interconnected if you want a larger terrace space.

HARVIA

Kirami FinVision® Annex Complete sauna experience

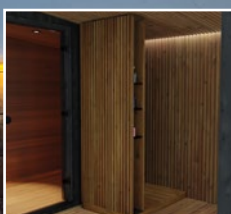

Annex is a Latin word for an extension or an additional building, and we feel that the word perfectly describes the Kirami FinVision® Annex concept.

With Kirami's seamlessly compatible modules, everyone can build an oasis that is perfect for their personal preferences and the space available.
